

In attendance:

Bobbe Jackson Ralph Hattox Mary Fluke
Beverly Childs Ginger Russell

Treasurer

Last we left new treasurer we ask Shirley to take treasurer

Shirley has agreed

Mary moves appoint to Shirley fill the remainder of Wendy's term

Ralph second

Passed unanimously

Turning treasurer stuff over to Shirley

- the stuff at BB&T is available online, not in hard copy ... some conversation if we needed to print everything out for the members to review
- final decision was that the board could meet with Shirley at the same time to review the books then we turn them over to her

Computer committee

Ginger to contact – Bob Padget, Dawn Allen, Susan, Paul

Ruth to go through the apps for current members to see who/if can assist with this

Maybe ask Paul if he could take it on temporarily if none of the others are available –

concern that Paul could be overwhelmed doing this as he is working on the hunt

judge training & is getting a little frustrated over that

Ginger to contact Susan and Dawn, then Paul if needed and email us with an update

May meeting – on the field

- May 6
- Mary to contact Hank to ensure we have the field on that date
- Ralph will not be able to attend, d/t conflict with exams
- do with pot luck at lunch time with meeting
- alternatively if not able to get field, we can meet at Bobbe's for tracking, agility

July meeting – Beverly is currently trying to find a place for the program

Mike on board & assisting in setting program for canine nose work seminar

Mary offered to see if she can find a trainer that has done these seminars before

Has one place but is concerned about inconvenience being a stumbling block for attendance – not convenient to I-85

Beverly is going to check the dates the building is available & email the dates to Mary

Email list

Currently includes members & friends

Change to just members & add a new list that includes friends and past members

Notifications do not automatically go to the pbgv-L list

Fun Days vs Training days

- may invite guests, should we have a fee to attend for non-members or slightly more for non-members than members
- Bobbe commented that she didn't want people to have to pay to come to her house and play
- differentiate between field days as training days as opposed to fun days
- offer field mentoring for new people or a NLE at a certain time

Meeting ended 9:08pm
