Paul asked about insurance to cover us for our outings

We need to review the policy and make sure it was renewed properly

Ginger agreed to contact Shirley about the insurance and get a copy of the policy

Paul discussed the possibility of having an agility demonstration and intro day

He has a location in Cheraw – he needs proof of insurance to provide to the owner before he can go any further

Paul will do a blast survey to check on interest

Annual Meeting –

The November Speedway Classic will not have confirmation so we need to look at another time and/or program to draw

According to by-laws it is supposed to be in Nov

Note: Indiana hunt 2<sup>nd</sup> weekend in Nov
