Report by Sharon Kimble

Not full yet but filling

9 runs a day available on one field

Can operate 2 fields? Have enough judges? We do have enough judges

Thought: Better to not run 2 fields unless we need to, if we must prefer to run 2 braces/solos on separate fields instead of 2 packs

Can flip a coin/draw for who goes on which field

1 brace/solo per household per weekend which should help with field needs

Hospitality: Jill - purchase salad, lasagne, ask for desserts from entrants

Plan to remain as AKC club

Do we pay a fee to remain AKC club? No

Continuing requirements for staying AKC club

Meet the breeds:

Nick & Pat - will be going to meet the breeds in NY the last weekend in Jan

Ruth - attended meet the breed in Asheville Sept 9, 2023

Would be nice if we had some kind of card/business card or something to give club name & place to look for info

Vickie to talk to Bayje about what she uses

Will revisit this after Vickie contacts her & discuss

Supporting attendance complies with the requirement "..." for maintaining CPBGV as an AKC recognized club
