March Hunt

- SC - What to do to give the hunt sec a place to work
 - Possibly rent a camper - Coady mentioned this as a possibility
 - Question of price
 - Don't think the club should pay for the camper we wouldn't make any money and may not even break even
 - Can we secure the wooden shed? We have tarps to put on shack & Roger brings a generator for power. Would need lights

Fast CAT

Look into possibly hosting a fast cat event & open it up to other breeds

Hire someone who has equipment - Ready to Fly, Lure Guy

Many people are interested in participating in Fast CAT
